Mary Beth Moore

Going Home

*Going home, going home, I am going home.
Quiet like some still day, I am going home.*

*It's not far, just close by, through an open door.
My work is done, care laid by, never to fear anymore.*

*Mother is there expecting me, Dad is waiting too.
Many faces gathered there, all the family I knew.*

*No more pain, no more fear, no more stumbling on.
No more longing for the day, the morning star lights the
way*

*My restless dreams are gone.
The shadows are gone, it's the break of day, real life
has begun.*

*There is no break, there is no end, I'll just be living on.
I am wide awake, I am wearing a smile.
I am going home.*
